12 Special resolution number 1 – general authority to repurchase shares

Explanatory note

This special resolution is sought to grant the directors of the company and subsidiaries of the company a general authority in terms of the Companies Act and the JSE Listings Requirements to acquire the company’s ordinary shares, subject to the terms and conditions set out in the resolution. The directors require that such general authority should be implemented in order to facilitate the repurchase of the company’s ordinary shares in circumstances where the directors consider this to be appropriate and in the best interests of the company and its shareholders.

"Resolved that the company approves, as a general approval contemplated in sections 46 and 48 of the Companies Act, the acquisition by the company or any of its subsidiaries from time to time of the issued ordinary shares of the company, upon such terms and conditions and in such amounts as the directors of the company may from time to time determine but subject to the company's memorandum of incorporation, the provisions of the Companies Act and the JSE Listings Requirements, and provided that:

- any such repurchase shall be implemented through the order book operated by the JSE trading system, without any prior understanding or arrangement between the company and the counterparty;

- acquisitions by the company or its subsidiaries of shares in the capital of the company in terms of this general authority may not, in the aggregate, exceed in any one financial year 5% of the company's issued ordinary share capital of the class of the repurchased shares from the date of the grant of this general authority;

- the company only appoints one agent at any point in time to effect repurchases on its behalf."

- the company and the group will be able in the ordinary course of business to pay its debts for a period of 12 months after the date of the repurchase;
- the assets of the company and group are to be in excess of the liabilities of the company and group for a period of 12 months after the date of the repurchase fairly valued in accordance with the accounting policies used in the audited financial statements for the year ended 31 August 2025;

Directors' responsibility statement

The directors, whose names appear in the integrated annual report, accept full responsibility for the accuracy of the information pertaining to this special resolution and certify that, to the best of their knowledge and belief, there are no facts that have been omitted which would make any statement false or misleading; that all reasonable enquiries to ascertain such facts have been made; and that the special resolution contains all pertinent information.

Material changes

There have been no material changes in the affairs or financial position of the group since the date of signature of the audit report and up to the date of this notice.

13 Special resolution number 2 – approval of directors' fees

Explanatory note

This special resolution is sought to provide for the payment of fees to the company's directors for the period from the AGM to be held in January 2026 until the AGM to be held in January 2027.

In terms of section 66(8) of the Companies Act the company may pay remuneration to its directors for their service as directors. Section 66(9) requires the remuneration to be paid in accordance with a special resolution approved by shareholders within the previous two years.

The proposed fees are set out in the remuneration report published on the company's website:

www.clicksgroup.co.za.

In line with best practice, and taking into account the change in the manner in which boards conduct their affairs in response to evolving business needs and technological advancements, the company has decided to move away from paying a meeting attendance fee to non-executive directors. The company will instead pay non-executive directors a base fee for serving as a non-executive director. An increment is payable to the lead independent director and to any director for being a member or the chair of a committee (for each committee served on, where a director serves on more than one committee). The chairman is paid a composite fee, with no additional remuneration on account of his service on committees or attendance of committee meetings as an invitee. The proposed fees for the ensuing year have been calculated by adding the prior year's base fee and meeting attendance fees, and including an inflationary percentage increase.

Non-executive directors who attend committee meetings as invitees at the request of the board shall be eligible to receive a fee for such attendance (R15 560 for a meeting of the audit and risk committee; R9 510 for a meeting of the remuneration and nominations committee; and R10 890 for a meeting of the social and ethics committee).

Where any extraordinary attendance is required of any non-executive director then, whether or not a fee is payable to that non-executive director for such extraordinary attendance and, if so, the fair and reasonable amount of such fee, shall be determined by the chairman (in consultation, where appropriate, with the chair of any board committee). Where any extraordinary attendance is required of the chairman then, whether or not a fee is payable and, if so, the fair and reasonable amount thereof will be determined by the lead independent director.

"Resolved that the fees of the directors as reflected in the remuneration report published on the company's website: www.clicksgroup.co.za be approved for the period from the AGM held in January 2026 until the AGM to be held in January 2027."

14 Special resolution number 3 – general approval to provide financial assistance

Explanatory note

This special resolution is sought to provide general authority for the company to provide direct or indirect financial assistance to a related or interrelated company or corporation, subject to sub-sections 45(3) and 45(4) of the Companies Act.

Section 45 of the Companies Act provides, *inter alia*, that any direct or indirect financial assistance to a related or interrelated company or corporation must be provided only pursuant to a special resolution of the shareholders, adopted within the previous two years, which approved such assistance either for the specific recipient, or generally for a category of potential recipients, and the specific recipient falls within that category, and the board of directors must be satisfied that:

- immediately after providing the financial assistance, the company would satisfy the solvency and liquidity test, as defined in section 4 of the Companies Act; and
- the terms under which the financial assistance is proposed to be given are fair and reasonable to the company.

When the need arises the company, *inter alia*, provides loans to and/or guarantees repayment or other obligations of subsidiaries or related or interrelated companies. The company requires the ability to continue providing financial assistance to its current and future subsidiaries and/or any other company or corporation that is or becomes related or interrelated, in accordance with section 45 of the Companies Act.

In order to ensure that the company's subsidiaries and other related and interrelated companies and/or corporations have access to financing and/or financial backing from the company, it is necessary to obtain the approval of shareholders to allow the directors of the company to authorise the company to provide such financial assistance. Although section 45(2A) of the Companies Act now provides that the provisions of section 45 no longer apply to the giving by a company of financial assistance to or for the benefit of subsidiaries as defined, the company still requires the ability to provide financial assistance, if necessary, in other circumstances, such as to related or interrelated corporations, including group entities incorporated in other jurisdictions than South Africa.

The authority sought in this resolution does not authorise the company to provide financial assistance to directors or prescribed officers.

"Resolved that the board of directors of the company may, subject to compliance with the requirements of the company's memorandum of incorporation, the Companies Act and the JSE Listings Requirements, authorise the company to provide direct or indirect financial assistance by way of a loan, guarantee, the provision of security or otherwise, to any related or interrelated company or corporation, or to any future subsidiaries and/or any other company or corporation that is or becomes related or interrelated to the company. The financial assistance may be provided at any time during the period commencing on the date of the adoption of this resolution and ending two years after such date."

15 To transact such other business as may be transacted at an annual general meeting

All shareholders in the company are entitled to attend, speak and vote at the AGM. If you hold certificated shares (i.e. have not dematerialised your shares in the company) or are registered as an "own name" dematerialised shareholder (i.e. have specifically instructed your Central Securities Depository Participant ("CSDP") to hold your shares in your own name on the company's sub-register), then:

- you may attend and vote at the AGM; alternatively
- you may appoint a proxy to represent you at the AGM by completing the attached form of proxy and either returning it to the company's transfer secretaries or the registered office of the company by not less than two business days prior to the time appointed for the holding of the meeting, or handing same to the chairman prior to the commencement of the meeting. A proxy need not be a shareholder; alternatively
- you may participate electronically in the manner set out below.

If you are the owner of dematerialised shares (i.e. have replaced the paper share certificates representing the shares with electronic records of ownership under the JSE Limited's electronic settlement system (STRATE)) held through a CSDP or broker and are not registered as an "own name" dematerialised shareholder, subject to the mandate between you and your CSDP or broker, as the case may be:

- if you wish to attend the AGM you must contact your CSDP or broker, as the case may be, and obtain the relevant letter of representation from it; alternatively
- if you are unable to attend the general meeting but wish to be represented at the meeting, you must contact your CSDP or broker and furnish it with your voting instructions in respect of the AGM and/or request it to appoint a proxy. You should not complete the attached form of proxy. The instructions must be provided in accordance with the mandate between yourself and your CSDP or broker within the time period required by your CSDP or broker.

CSDPs, brokers or their nominees recorded in the company's sub-register as holders of dematerialised shares held on behalf of an investor/beneficial owner in terms of STRATE should, when authorised in terms of their mandate or instructed to do so by the person on behalf of whom they hold the dematerialised shares, vote by either appointing a duly authorised representative to attend and vote at the AGM or by completing the attached form of proxy in accordance with the instructions thereon and either returning it to the company's transfer secretaries or the registered office of the company by not less than two business days prior to the time appointed for the holding of the meeting, or handing same to the chairman prior to the commencement of the meeting.

Provision will be made for shareholders to participate in the AGM by way of electronic communication. Should any shareholder wish to participate in the AGM by way of electronic communication, such shareholder is required to give written notice of such proposed participation to both the company at its registered office marked for the attention of the company secretary and the company's transfer secretaries, Computershare Investor Services Proprietary Limited at Private Bag X9000, Saxonwold 2132, by no later than 12:00 on Wednesday, 21 January 2026. Such notice must be accompanied by the following:

- if the shareholder is an individual, a certified copy of the shareholder's identity document;
- if the shareholder is not an individual, a certified copy of the resolution adopted by the relevant entity authorising the representative to represent the shareholder at the AGM and a certified copy of the authorised representative's identity document; and
- a valid e-mail address for the purpose of receiving notice of the manner in which the electronic participation will be conducted.

If a shareholder provides the company with the aforesaid notice and documents, the company shall use its reasonable endeavours to notify the shareholder of the details of the electronic communication through which it can participate in the AGM and will inform such shareholder of the applicable voting procedures. The cost of participating electronically will be for the expense of the shareholder.

Approvals required for resolutions

Ordinary resolutions numbers 1 to 7 require the approval of more than 50% of the total votes cast on the resolutions by shareholders present or represented by proxy at the AGM. Ordinary resolutions numbers 8 and 9 are proposed for a non-binding advisory vote only and any failure to pass these resolutions will not have any effect on the company's existing arrangements, but the outcome of the votes will be taken into consideration when considering the company's remuneration policy and implementation report and may trigger further obligations on the part of the company to engage with shareholders.

Special resolutions numbers 1 to 3 require the approval of at least 75% of the total votes cast on the resolutions by shareholders present or represented by proxy at the AGM.

On a poll the holders of ordinary shares shall be entitled to one vote per share.
